About Alexander Venter: Author of the 'Matthew Series'

The 'Matthew Series' is the product of Alexander Venter's teaching ministry since 1975 when he became a church planter and pastor. Alexander has been empowered over many years by many relationships to make available some of the Kingdom Treasures in the form of relevant Christian resources, to equip people for life and ministry in God's Kingdom. The teachings and resources are based on the scriptures in **Matthew 13:44,52** – "God's Kingdom (His life and rule) is like a treasure found in a field. On finding the treasure the person goes away and sells all they have and purchases the field, in order to explore the treasure". A teacher who is trained in the Word of God brings out these treasures – both old and new realities of God and his Kingdom – to all who seek after God.
